#### **Additional Cost:**

\*Cash Bar on board (we also accept C/Card on the boat - 3% Surcharge will be applicable)

\*Spa Massage on the Island

\*Diving - PADI, Certified or Discover Scuba

### ORCHID HIKE, MUD POOLS AND WATERFALLS TOUR

**Sunday, June 24th, 9:00 a.m.**

Are you ready for our first tour of the trip? Today we will be getting into the lush interior of Fiji for an adventure that includes waterfalls, mud pools and a little hiking.

You will be transported by bus from our resort to Nalesutale Village at the base of the Sleeping Giant Mountain ranges. From the village, you will be driven up the mountain by 4x4s, only 5 mins to the trek site, for the 35mins guided walk through rainforests to the waterfalls. Enroute, you will visit an ancestral cave, learn about traditional medicine and swim in the cool, cascading waterfalls.

After that you will return to Nalesutale village for lunch and a Traditional Kava Ceremony.

Lunch consists of BBQ fish, sausages with a side dish of rou-rou (spinach), fresh local vegetables, fruits and local juices.

After lunch, you will visit the TIFAJEK natural mud pool and hot springs. Here you can paint yourself with the warm mud to absorb its soothing and healing properties before washing off in the Hot Springs. A truly rejuvenating experience!

Pick up will be at our hotel at 9 am. Return will be before 3pm.

Bring: swimsuit and towel, sun lotion, camera and comfortable walking shoes for trek to the waterfalls, mosquito repellent and drinking water. Our special group rate is just \$65 (reg \$90). Website: [www.fijiecotours.com.fj](http://www.fijiecotours.com.fj)

## SAIGATOKA RIVER TOUR - 4x4 and Jet Boating with village and cave tour

**Monday, June 25th**

Here we have our next adventure and it's a good one. Today we take a combination of 4x4 safari vehicles and a

jet boat to get us up the Sigatoka river for a safari you will never forget. We will learn about the history of Fiji, visit a village to discover all

aspects of life in a Fijian village including a traditional Fijian welcoming ceremony, which enables you to taste yaqona (kava).

From there we will continue to Naihehe Cave, Fiji's largest cave system and was once a fortress for a cannibal tribe and still contains a cannibal oven, a ritual platform, the sacred priest chamber and other reminders of its cannibal history. There is a swimming

hole and we will also be able to use their new Water Blob (photo on left) activity so bring your swim suit. This tour includes a Fijian tropical lunch prepared by the women of the village, entertainment and dancing.

One group will take the 4x4's up and the other group of 10 will take the jet boat and then we will trade for the return. The journey on the boat will see your jet boat captain showing you some Sigatoka spins (360 degree spins, Shotover Jetboat style).

This is rated the #1 tour on Tripadvisor for Sigatoka. Our group rate for this tour is \$115 (reg \$164). <https://www.sigatokariver.com/>

**OR:**

## ZIP LINE ADVENTURE

Fiji has a new zip line tour with 16 zip lines. If you haven't done a zip line yet, now's the time to live life a little and feel the rush! This Zipline course is truly world class. It will take you on a tour of 10 zips spanning over 1.3 km through Fiji's pristine tropical rainforest and waterfalls with some zips as long as 160 meters, and you'll fly as fast as 60kmp/h. This is truly something you will never ever forget! Besides the zip line we will stroll through the wild tropical jungle and enjoy four beautiful waterfalls in an exclusive area. With 4 beautiful waterfalls, fed by the warm jungle rain water it's simply paradise! A really great place to explore,

swim, day dream or just relax. Orchid Falls is said to have magical powers which can revive your health and spark your romance. So be sure to go for a swim and feel the magic! Our group rate is \$89 with transfers (reg \$115) and includes a Deli style lunch that includes freshly made sandwiches (vegetarian available upon request) salads, and a fruit drink. Alcoholic beverages can be purchased at the sky bar. It's going to be a tough choice today. Website: [www.Zip-Fiji.com](http://www.Zip-Fiji.com)

## MOLOLO ISLAND

### ISLAND HOPPING SNORKEL TOUR FEATURING MODRIKI ISLAND

**Wednesday, June 27th, 10:00 a.m.**

You are going to love this tour which is typically the highlight of the trip. We will have a private boat to take us

on this tour where we will be visiting a sand bar for some outstanding snorkeling, then an island called Beachcomber for lunch, then finally Modriki island. This is not an easy tour to organize as just one tour company offers it and only for small groups. You need to get special permission to land on Modriki as it is under the control of a local tribe and they do not grant landing rights to everyone. This is the uninhabited

island where the award winning movie **"Cast Away" with Tom Hanks was filmed**. It is also where many scenes of Survivor are filmed. There's also a very good chance you may even bump into Wilson). Lunch will be provided. Cost is just \$90.

## DOLPHIN SAFARI

**Thursday, June 28th**

Cruise out to channel between Namotu and outer ocean. After seeing pod of spinner dolphins they usually stop off and watch the surfers or go for a snorkel. Cost is FJD 65 (about \$37.50). Just check the box below to express an interest so we get an idea of how many are interested. You will pay the resort for this one.

## SCUBA DIVING

**Thursday, June 28th & Saturday, June 30th**

We have a dive shop located right on our property at Musket Cove. The folks at Subsurface Fiji will be taking care of us. We used this company on our last Fiji trips and they were great. You can check out their website at: [subsurfacefiji.com](http://subsurfacefiji.com)

The tank dive trip departs at 8.00am, returning at 12.15pm (approx) and the 1 tank trip departs at 1.30pm, returning at 3.30pm. Night dives are on request. I have set up dives for the 28th and 30th although you can dive any day you wish. I don't know how many divers we have but the maximum number for each dive is 15. You can wait until we arrive to sign up but if you want to make sure you get in on these dives you can email Jon at [musketcove@subsurfacefiji.com](mailto:musketcove@subsurfacefiji.com)

I tried to negotiate a group discount but was not successful. Cost is FJD 340 for the 2-tank dive with all equipment. In US dollars this works out to about \$170.

## **CLOUD 9 PARTY BARGE**

**Friday, June 29th, 12 p.m.**

Here's a really fun day. Cloud 9 is a fun barge located on a beautiful reef perfect for snorkeling, scuba diving and hanging out on the reef. Cloud 9 is Fiji's first 2 level floating platform with a bar and pizzeria surrounded by turquoise blue water and picturesque views!

This absolutely unique venue has surround sound system throughout, sun decks, hanging chairs, day beds and is a water sports haven! Cloud 9 is built with precision and creativity giving people an experience like no other! You can go to their website to see more: <http://www.cloud9.com.fj/page.php/about-c9-2/> This year we are getting this tour for free other than our agreement to spend at least FJD 60 in food and drinks which is easy enough to do. This charge will be put on your room bill so if for any reason you don't want to do this (I can't imagine) then speak with reception to let them know. We will depart at noon and return at 4 pm.

## **ISLAND CRUISE**

**Saturday, June 30th, 1:00 p.m.**

This is a 3 hour tour that takes you past Tropica, Vunabaka, Malolo, Wadigi and Castaway islands. Stop at one of two resorts for quick look around and stop for snorkel behind Honeymoon Island. Cost is FJD 80 (\$40 usd). Check the box below to express an interest so we get an idea of how many are interested. You will pay the resort for this one.

## **OTHER TOURS**

There are a number of other tours at Musket Cove that you can consider signing up for that are run by our resort including bike rental, sport fishing, big game fishing, sunset cruise and a surfing excursion. Click on this link for more info: <http://www.musketcovefiji.com/en/activities-in-fiji.html>
